PLEASE SEE YOUR 2022 TIER 1 AMERICAN STANDARD PRICEBOOK TO BE DOWNLOADED TO THE DEVICE YOU CHOOSE

[Download Price/Resource Catalogs](#)

Supported browsers for accessing your Catalogs are Chrome, Edge (Chromium), Firefox

# Navigating the Pricebook

Once downloaded, the Pricebook will provide you with the ability to do the following:

## Search and Click via Table of contents

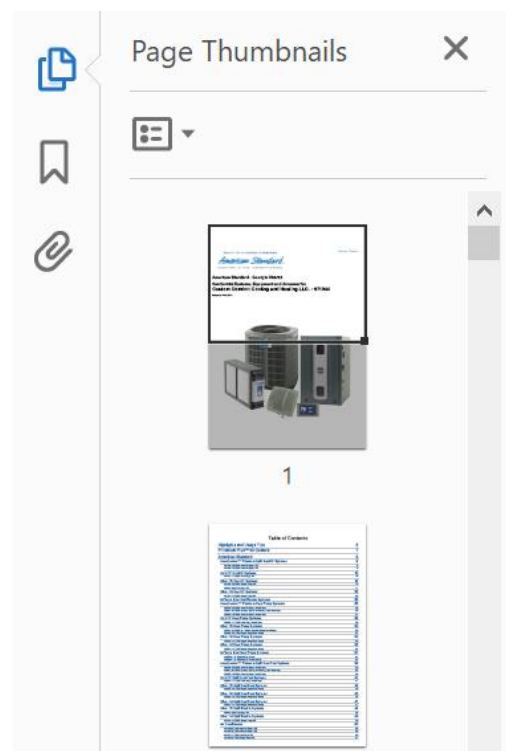

Can be used to locate full system AHRI rated matchups or single unitary items, as well as accessories.

## Search by Model Number

Ability to search for a specific model with the search bar found at the top right of the book.

## Thumbnail Search

Available for quick system matches via scroll feature. See visual.

01

Download a copy of desired pricebook from the email sent from Pricebook Digital

02

Utilize Table of Contents found to left of book in quick clicks or scroll to page 2 to get started! – each of these links will jump to desired section of the pricebook. Can view as rated systems, or individual unit pricing.

Table of Contents
